

To: European Kendo Federation,
board of directors.

Letter of recommendation

Georgian National Federation of Kendo was established in November of 2009.
Kendo in Georgia was started in 2002 by Mr. Kunio Okada 6. Dan kendo.
Currently they have 14 active members in the National Federation.

The Danish Kendo Federation would like to support the enrollment of the Georgian
National Federation of Kendo, in to the European Kendo Federation.

We believe that this will give Kendo in Georgia the foundation it needs, to evolve in to
a flourishing community.

Best Regards

Jens Møllgaard Jensen
President, Danish Kendo Federation.
